I was expecting my reliever but in the meantime, I received another order No.C.223 dated Camp Tumkur, the 29th December 1932 from your office through the Executive Engineer in charge, Bhadra Reservoir Project, that my services had been dispensed with on account of further retrenchment in the establishment of the Department.

As I am now in very hard circumstances for want of employment and for having lost an income of Rs.75/- per mensem, I most humbly beg that I may be kindly provided with some appointment in your Department either clerical or technical ~~in xxxx~~ until there are chances of my being appointed again as a Sub Overseer.

For this act of kindness, I will ever remain thankful to you.

OFFICE OF CHIEF ENGINEER
Read No. 8391
Date 7-2-33
BANGALORE.

To

The Chief Engineer in Mysore,

Bangalore.

Sir,

I beg to bring the following few lines to your kind consideration and favourable orders:-

I have passed the Mysore S.S.L.C., Examination held in March 1927 and the Civil Engineering Technical Board Examination held in the Government Mechanical Engineering School, Bangalore, in April 1929. On passing the latter Examination I was appointed as a Sub Overseer as per your office order No.784-95/4565-76 dated 1-10-1929 and posted to the Kadur Division on a pay of Rs.35-5/2-80 plus a conveyance allowance of Rs.30/- and the special locality allowance of Rs.2-3-0 per mensem.

Later on, on account of Economy Orders of Government, the conveyance allowance was however reduced from Rs.30/- to Rs.15/-

I was working in the said Kadur Division from 6-11-1929 to 7-1-1933 as per particulars given below:-

From 6-11-1929 to 25-3-1931	..	in the Project Section Chickmagalur.
25-3-1931 to 25-8-1931	..	in the Bhadra Reservoir Surveys.
25-8-1931 to 27-1-1932	..	in the Kadur Division proper.
27-1-1932 to 7-1-1933	..	in the Bhadra Reservoir Surveys.

While I was employed on survey work, I was given a special allowance of Rs.20/- per mensem. The first increment of Rs.5/- was also given to me from 6-11-1932.

Thus on 7-1-1933, I was getting a pay of Rs.40/- plus a conveyance allowance of Rs.15/- and a special allowance of Rs.20/-.

While matters stood thus, I received order dated 22-12-32 from your office through the Executive Engineer in charge, Bhadra Reservoir Surveys that I had been transferred to the Office of the Executive Engineer, Bangalore New Water Works Division, Thippagondanahalli, as an Assistant Draftsman on a pay Rs.35-3-50 as a result of retrenchment in the establishment of the Department.

Respected Sir,

I beg to bring the following few lines to your kind consideration and early favourable orders.

I beg to state that I am one of the Thrown out officials in the Public Works Department. I was appointed in the Bhadra Anicut Range Office, Bhadravathi as per C.R.B. Rules. I was served with a notice and thrown out of employment from 1st January 1932 as a measure of retrenchment. Again I was appointed as an acting clerk in No. 2 Sub Division Sagar, as per kind orders of the Superintending Engineer, Shimoga Circle which post was terminated on 22-4-32. Before this I was working in the Revenue Department but I was not fortunate enough to hold a permanant appointment.

I beg to submit that I am well conversant with the Office routine work of both these departments. Moreover I belong to backward community being Lingayet. I am submitting applications to the vacancies advertised in the Mysore Gazette from the last 6 month s, but I am not fortunate enough to get a permanant appointment. Now I am wandering without appointment. So I most humbly beg of you to kindly consider my poor case favourably and bestow on me an appointment anywhere in the State and thus save the poor from starvation.

For which act of kindness I shall remain ever grateful and faithful to you.

I beg to remain,
Respected Sir,
Your most obedient Servant,

K. Sivalingaiah
